

On Monday March 6, 2023 we had a resident test positive for COVID-19.

We are currently experiencing an outbreak with 8 positive residents.

We continue to be vigilant and follow the appropriate guidance from the CT Department of Public Health (DPH) and Centers for Disease Control (CDC).

These residents reside on our designated COVID quarantine unit/ room and are working their way to recovery.

We encourage you to visit your loved one, but keep in mind limiting unnecessary traffic throughout the facility.

A reminder that masks wearing while in the center remains mandatory.

Should you have any questions please call the center at 860-442-0471 and ask to speak with the Infection Control Nurse.
